

Customer Service Agreements

With the purchase of our **Customer Service Agreement** you will lock in the current price of annual service for your home. It also provides a graduated discount on repairs and new equipment install when the need arrives.

There are three options for purchase:

1 year = NO LONGER OFFERED

2 year = \$30

The current season's price for both heating and cooling annual service is locked in for your service for the **NEXT TWO** years.

10% discount on all repairs.

5% discount on all new equipment purchased and installed

3 year = \$50

The current season's price for both heating and cooling annual service is locked in for your service for the **NEXT THREE** years.

15% discount on all repairs.

10% discount on all new equipment purchased and installed

Current price for 2019
